Sustainable Employment Program

Name of the Ministry or Institution	The Palestinian Employment Fund
Project Name	Sustainable Employment Program.
Project Objectives	The program aims to contribute to improved economic well-being and employment perspectives for all Palestinians.
Project Description	<p>The program concerns the promotion of sustainable employment in the Palestinian Territories. The purpose of the Project is to support short-term job creation that can be sustained in the medium term and generate longer-term perspectives for economic growth.</p> <p>This is to contribute to a quantitatively, qualitatively and institutionally improved employment situation in the Palestinian Territories as to foster economic well-being and employment perspectives for all Palestinians.</p>
Duration of the project	36 Months
Project Cost (USD)	20 million USD (including 8% admin costs)
Ministries and institutions Responsible for Implementation	MoL / Employment Corners Private sector umbrella
Project Beneficiaries	Unemployed Palestinians across the West Bank, East Jerusalem and Gaza. As to account for vulnerability of specific groups and regions, the wage subsidies should particularly target job seekers in Gaza, as well as women and youth.
