Empowering Farmers and Enhancing their Food Security Through Small Agricultural Businesses

Ministry or Institution	Ministry of Agriculture
Project Objectives	Empowering local youth (male and female) farmers with technical, administrative, marketing and cooperative skills in relation to the targeted agricultural value chain (sheep raising).
Project Description	<p>The interventions of the project overlap with one of the agricultural sector components which is the development of the livestock, especially sheep, which contributes to achieving food security for the targeted youth and women, as these businesses will constitute an income-generating tool, by providing them with technical, administrative and marketing skills and raising their awareness.</p> <p>In addition to enabling them to grant the beneficiary the availability of at least 5 sheep and fodder for no less than 6 months, with a minimum contribution from the beneficiaries to ensure the sustainability and development of the businesses.</p>
Duration of the project	One Year
Project Cost (USD)	3,000,000 \$
Ministries and institutions Responsible for Implementation	Ministry of Agriculture
Project Beneficiaries	Rural women individual / groups/ cooperatives / associations.
