Promoting Green Economy Opportunities for Youth and Women in The Palestinian Territories (Green Empowerment)

| | |
|--|--|
| Name of the Ministry or Institution | Ministry of Labor and Palestinian Employment Fund |
| Project Objectives | Contribute to increase the economic empowerment for youth and women through increasing their access to green and eco-friendly economy' opportunities. |
| Project Description | The project will contribute to addressing the problem of lacking the economic opportunities for youth in West Bank and Gaza Strip because of the harsh economic situation pre and post the time of COVID-19, and contributing to the process of transition the Palestinian economy into a green economy that will guarantee the optimum utilization of the available environmental resources and not harm the environment. This project will set a distinguished model for creating solutions and opportunities despite the challenges of reality and pave the way for several thousand Palestinians vulnerable youth and women to strengthen their resilience through green and eco-friendly economic business opportunities. |
| Duration of the project | 24 Months |
| Project Cost (USD) | 1,800,000 \$ |
| Ministries and institutions Responsible for Implementation | Ministry of Labor and Palestinian Employment Fund |
| Project Beneficiaries | Female and male youth/entrepreneurs in West Bank and Gaza Strip to start their in-come generation activity and initiate their own business or start-ups. The selection of the target group taken into consideration gender equality and people with disabilities to grant equal and inclusive access to opportunities. |
